PROBABLE CAUSE AFFIDAVIT**Dweysean Y COX**

I, James Bajus, being duly sworn, depose and state that:

1. I have been a Special Agent with the United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) since June 2007. Your affiant is a graduate of the ATF National Academy Special Agent Basic Training and Federal Law Enforcement Training Center Criminal Investigator Training Program. As a result of my training and experience as an ATF Special Agent, I am familiar with Federal criminal laws.
2. On or about November 8th, 2012, Dweysean Y. COX (hereinafter COX) plead guilty to one count of carrying a concealed weapon and weapons under disability, crimes punishable by more than one year in prison (criminal Case Number 12CR000724) in the Franklin County, Ohio Court of Common Pleas.
3. On May 24th, 2017 at approximately 7:00 p.m. CPD Officers were checking the lot of Lounge 13 at 1320 Beechwood Rd. Officers have made weapons and narcotics arrests on the lot in the past. They have responded to shootings, fights, and homicide calls at Lounge 13 and on the surrounding parking lot.
4. Officers observed a parked silver Toyota with dark tint. Officers could see one occupant in the driver's seat. Officers parked in a manner that did not block the Toyota from leaving.
5. Upon approach Officers made contact with the driver later identified as Dweysean COX. Officers observed COX manipulating a piece of plastic in the center console around the gear shift. Officers believed that COX had hidden a weapon or narcotics. Officers asked COX what he had placed in that area. Cox replied "I thought I still had my weed".
6. For safety Officers removed COX from the vehicle. Officers checked the area that COX had been observed stuffing an object. Officers found the plastic around the gear shift was loose. After moving the piece of plastic Officers located a loaded Taurus Millennium PT140PRO 40. Cal handgun serial # SCN02044.
7. Officers recovered the firearm and arrested COX. COX made several statements without being prompted by Officers. COX stated that if he could have just got the plastic piece back into place he would have been good. COX stated that he knew he had that "shit" and could have just taken off. COX then described the way he would flee from Officers. COX stated to Officers that they caught him red handed.
8. It was determined that the aforementioned firearm seized from COX on or about May 24, 2017 was NOT manufactured in the State of Ohio and therefore travelled in interstate commerce to reach the State of Ohio.
9. The aforementioned offenses occurred in Franklin County, Ohio, in the Southern Judicial District of Ohio.

PROBABLE CAUSE AFFIDAVIT**Dweysean Y COX**

10. Based on this information, your affiant believes probable cause exists that COX possessed a firearm after having been convicted of a crime punishable by more than one-year incarceration, in violation of 18 U.S.C. 922(g)(1).
